

Bonheur **IN BOX**

WHITE

DESIGNATION	VIN DE FRANCE
GRAPE VARIETIES	Chardonnay, Sauvignon, Muscat
DEGREE	12,5 %vol
pH	3,60
TOTAL ACIDITY	3,64
DESCRIPTION	<i>Bonheur in Box is a blended white wine for immediate enjoyment: the Muscat brings intensity and exotic notes (fresh grape, orange blossom), the Sauvignon adds freshness and liveliness (citrus, boxwood), and the Chardonnay provides structure with white fruit flavors and a silky texture.</i>
TERROIR	<i>Diversity of our terroir, with vineyards close to the sea and clay-sandy soils. Our wines are the result of a dialogue between the sea and the garrigue. The richness of our terroir ranges from sandy soils near the coast to stony soils made of limestone sandstone and marl on our hillsides.</i>
WINEMAKING	<i>Parcel-by-parcel harvesting at night to preserve the aromatic and sanitary quality of the grapes. Direct pressing, static settling, traditional alcoholic fermentation at 14–16°C, aging in concrete tanks on lees. Selection and blending of our cuvées.</i>
SERVING	<i>Serving temperature: 8–10 °C Food pairings: aperitifs, summer salads.</i>
